SETTLEMENT AGREEMENT

WHEREAS, this Settlement Agreement ("Agreement") is entered into by and between the New York State Commission on Public Integrity ("Commission") and New York Laborers' PAC ("Respondent"); and

WHEREAS, the Commission is the State agency responsible for enforcing Article 1-A of the New York State Legislative Law, as amended ("Lobbying Act"); and

WHEREAS, as a registered client in 2008 and 2009, Respondent is therefore required to comply with the reporting requirements set forth in the Lobbying Act; and

WHEREAS, October 2009, the Commission determined there is reasonable cause to believe that Respondent knowingly and willfully violated Legislative Law §1-m in 2008 and again in 2009; and

WHEREAS, in lieu of appearing for an adjudicatory hearing that could result in the assessment of a civil penalty, the parties to this Agreement have agreed to resolve their dispute in a manner that avoids further adjudicatory proceedings;

NOW THEREFORE, in consideration of the mutual covenants made herein, as the final settlement of the violation set forth herein, the parties agree that:

I. Respondent admits that it violated § 1-m of the Lobbying Act (as set forth in the NORC and agrees to pay to the Commission the amount of $250) in settlement of said violations. If full payment is not received with and at the same time as this Agreement, this Agreement shall become null and void in its entirety.

II. Respondent additionally agrees to provide a complete list of invitees and attendees at each event subject to this settlement agreement within 15 days of the execution of this Agreement. If the lists are not provided this Agreement shall become null and void in its entirety.

III. Notwithstanding the provisions of this Agreement, Respondent understands and acknowledges that the Commission may investigate other knowing and willful violations, if any, by Respondent, of the Lobbying Act.

IV. Respondent hereby waives (its, their, his, her) right to cure, as provided in §1-o(c)(iii) of the Lobbying Act and may not assert such right at any future time.

V. Respondent agrees that it will, in all respects, abide by the terms of the Lobbying Act.

VI. Respondent agrees that neither it nor its agent will issue any public statement, directly or indirectly denying the factual allegations (in the NORC or creating the impression that the NORC is without factual basis).

VII. It is understood and agreed that this Agreement is not confidential, and that the Commission reserves the right to make public the Agreement and its terms.

VIII. If Respondent violates any of the terms of this Agreement, the Commission may declare this Agreement null and void and proceed to a hearing as if the Agreement had not been executed.

IX. Any amendment or modification to this Agreement shall be in writing and signed by both parties.
