**NOTICE OF REASONABLE CAUSE**

Pursuant to Executive Law §94(12)(b), the Commission on Public Integrity ("Commission") has determined that there is reasonable cause to believe that, while employed as a Disaster Preparedness Program Representative for the Office of Homeland Security ("OHS"), a predecessor agency to the Division of Homeland Security and Emergency Services ("DHSES"), you violated Public Officers Law §§74(3)(d),(f) and (h) when you used your position with OHS in an attempt to obtain the position as the Fiduciary Agent for the Port of Buffalo, Port Security Working Group, to perform the same duties you had been performing on behalf of OHS.

As required by law, a copy of this notice is retained by the Commission for public inspection and a copy is forwarded to the DHSES, your former appointing authority and to the Office of the Medicaid Inspector General, your current appointing authority. Please be advised that an individual who, following a hearing, is found to have knowingly and intentionally violated the provisions of Public Officers Law §74(3)(d) shall be subject to a civil penalty in an amount not to exceed \$10,000 and the value of any gift, compensation or benefit received as a result of such violation.
