

I'm sure he said the same stuff to you today as he did w/ Jonathan and I.

The only

thing is I get what Vito's trying to do, I don't think Jonathan does or he is ignoring it

To + [REDACTED] on 2011/10/31 17:12

I told Jonathan that Vito was mad at me for not wanting to share a hotel room with him. He said just tell Vito that you are not going.

What did [REDACTED] say?

From [REDACTED] on 2011/10/31 17:13

I asked Jonathan today if we could sit down and talk. He didn't ask me if everything was ok or what it's about...didn't say yes either.

From [REDACTED] on 2011/10/31 17:14

She said she's play craps w/ him and said yes to having dinner w/ him...she has no idea what a perv he is but she'll soon find out

To + [REDACTED] on 2011/10/31 17:15

Yikes. That is not good. He legally has to do something if you tell him there is this shit going on- which is probably why he is avoiding it.

From + [REDACTED] on 2011/10/31 17:16

Idk what there is that we can do but things need to change...it's getting out of hand for you, [REDACTED] and myself

To + [REDACTED] on 2011/10/31 17:16

Omg- I feel so bad for her. He tried to kiss [REDACTED] one time when he was drunk. I am scared of him

From [REDACTED] on 2011/10/31 17:16

Exactly!!

From + [REDACTED] on 2011/10/31 17:17

Oh no!!! Yes def getting out of hand. Jonathan needs to step in and help us figure out what to do...what do you think?

To + [REDACTED] on 2011/10/31 17:19

Don't say anything yet. Let me talk to [REDACTED] and see what she thinks. He goes through waves but bringing it up to Jonathan or Vito is not going to be pretty

From + [REDACTED] on 2011/10/31 17:21

Ok I wasn't going to tell Jonathan any specifics, just to ask what's the best way for us to handle this situation. I'll hold off tho

To + [REDACTED] on 2011/10/31 17:23

Do you think Jonathan will tell Vito? You know [REDACTED] quit bc of this reason. He said super fucked up shit to her.

From [REDACTED] on 2011/10/31 17:25

Yea I knew what he was doing to [REDACTED] He did this shit to [REDACTED] too. He's been getting worse over time w/ it. Jonathan wouldn't tell VJL. He prob wouldn't

From [REDACTED] on 2011/10/31 17:26

even have anything to say to me if I did talk to him. I've talked to him in
