

miserable old man

To [REDACTED] on 2011/10/29 18:37

You got that right.

From + [REDACTED] on 2011/10/29 18:39

Lol

From + [REDACTED] on 2011/10/29 18:42

Just don't take him seriously about the whole 'chief of staff' comment he made. He needs you, you're good at it, and he knows it.

To + [REDACTED] on 2011/10/29 18:45

He made an indirect comment that he thinks we should share a room in pr. I wonder if he plotted to have me stay at your house so he could get mad at me and pressure me into staying with him in PR. Fuck that! I would rather die.

From + [REDACTED] on 2011/10/29 18:52

Oh right that's makes sense...old man perv. Lol I hear you there

From + [REDACTED] on 2011/10/31 16:00

So Vito's in an interesting mood today. Is he closing the DO at 4 today?

To + [REDACTED] on 2011/10/31 16:04

I'm not sure he's still mad at me and spent all morning yelling at me. I left at 1 to go to the doctor

From + [REDACTED] on 2011/10/31 16:57

Oh ok. He told me to get out of the office, to close it at 4, that it was an order. He called at 4:0f and was like what r u doing there. Get out.

Weird

To + [REDACTED] on 2011/10/31 17:01

So weird. It's so weird how mad he is at me too for not wanting to share a hotel room with him.

From + [REDACTED] on 2011/10/31 17:06

Well he called [REDACTED] from Moya's office today (you met her downstairs at 250 last week) to see if she would hang out w/ him in PR...he's so inappropriate

From + [REDACTED] on 2011/10/31 17:06

He's not gonna stop being like this until someone gives him what he's after...and he's not gonna find it in our office

To + [REDACTED] on 2011/10/31 17:07

He told me last night that he was going to and to see. If she would take a trip with him outside San Juan

To + [REDACTED] on 2011/10/31 17:08

I can't believe he called her. He has lost his fucking mind. Did she tell you or did he?

From + [REDACTED] on 2011/10/31 17:10

He had me connect the call...he tries to make us jealous w/ that shit. It's disgusting. I know that's part of the reason why he's hiring [REDACTED], playing games

From + [REDACTED] on 2011/10/31 17:10

that's what he loves to do but he's getting pissed that it's not working.
