

He said he needed to process it but it was fair. He's going to try to bring down [REDACTED] for weprin which is fine by me

To [REDACTED] on 2011/07/10 18:19

Well [REDACTED] is leaving, he knows I'm going to law school and he knows he needs you

To [REDACTED] on 2011/07/10 18:19

Maybe he will start to realize that he can't be an asshole all the time

From [REDACTED] on 2011/07/10 18:27

He asked what kind of job I wanted so I stressed that I don't want to dissappoint him but I can't do it and I miss the law.

From [REDACTED] on 2011/07/10 18:28

I just told [REDACTED]. She said he called and told her I quit

To [REDACTED] on 2011/07/10 18:36

Yikes

To [REDACTED] on 2011/07/10 18:36

He is trying to guilt her into staying I think

From [REDACTED] on 2011/07/10 19:25

Yep and he just called me and guilted me. Saying I'm selfish wanting to stay till sept how he'd transfer me (why should I expect him to help me) how shocked he is. He told me not to tell anyone but that I should leave in 2 weeks. But then he said for me to meet him tues night to discuss all this w me (so now he doesn't want me to go) so I have no idea what going on

To [REDACTED] on 2011/07/10 19:30

I wouldn't worry about it now bc he will probably change his mind five more times- you did the right thing

From [REDACTED] on 2011/07/10 20:02

He called again. He wanted tp challenge me on why I want to leave. So I straight up told him there are conflicts. We got into the fact he said I can't mention my bf (so he said hed ask people if they know him tomorrow in tr office etc). Then I told him the stuff about me being gay and my body make me feel bad. (i mentioned legs and my chest and he said he wasn't going there). Then he said maybe he should never joke w me. Then he said well maybe I had s few drinks in me. Then he actually said he was sorry (but it was twisted). You could tell it was hurt and sarcastic.

To [REDACTED] on 2011/07/10 20:04

He's going to ask people if they know your boyfriend? Why?

To [REDACTED] on 2011/07/10 20:04

So weird ... He's so crazy

From [REDACTED] on 2011/07/10 20:12

Yeah He's pissed. He realizes it's all him

To [REDACTED] on 2011/07/10 20:13

And who does he think he's going to ask

To [REDACTED] on 2011/07/10 20:18

(about your bf)

From [REDACTED] on 2011/07/10 20:20

Who knows. He thought I was upset because He won't let me talk about him so
