V called and asked if I had spoke to you. I said that o had you said you were on your way. I also told him that you hadn't received any calls today and he said no I think it was yesterday. Then he said well either they are lying or [REDACTED] is just not answering her phone and quickly wanted to speak to [REDACTED]

I wonder what happened with the girl - I really need to call Vito and tell him tonight so it would be better of he was all snuggly with this girl

To + [REDACTED] on 2011/08/15 19:25

From + [REDACTED] on 2011/08/17 15:47

To + [REDACTED] on 2011/08/17 15:47

To + [REDACTED] on 2011/08/17 15:48

From + [REDACTED] on 2011/08/17 15:49
Oh my goodness I am too afraid to call him

To + [REDACTED] on 2011/08/17 15:54
Maybe when you get home you should. Mel defended you. He told him you would never do this to hurt him. I told him that too.
