943.1 Purpose and Effect of Regulations.

- (a) The purpose of these regulations is to provide those regulated by the Joint Commission on Public Ethics (“Commission”), as well as the public, a consolidated resource for understanding and complying with the requirements of Article 1-A of the Legislative Law (the “Lobbying Act”), as authorized by section 94 of the Executive Law and the Lobbying Act. These regulations also serve to codify the constitutional authority to regulate grassroots lobbying that was recognized in *United States v. Harriss* (347 U.S. 612) in 1954, and exercised by the Commission’s predecessor agencies in accordance with the 1982 decision in *New York State Temporary Commission on Lobbying v. CICU* (534 F. Supp. 489).
- (b) These regulations consider, reflect and, in part, are based upon and in many instances codify this Commission’s and its predecessors’ earlier advisory opinions, guidelines, instructions, and practices. They also set forth the Commission’s positions on issues not previously addressed by those authorities. Thus, individuals and entities subject to the Lobbying Act should consider any earlier precedents as superseded by these regulations in the event any such prior guidelines, opinions, instructions or practices are inconsistent with this Part.

943.2 General Provisions.

- (a) The Commission has jurisdiction over Lobbyists, Clients of Lobbyists, and Public Corporations pursuant to section 1-d of the Lobbying Act and section 94 of the Executive Law.

(i) For example, a lawyer who provides a Client with an analysis of a pending piece of legislation, but does not otherwise attempt to influence such legislation, has not performed reportable Lobbying Activity, per this exception. If the lawyer subsequently meets at the Client's request with a member of the legislature to advocate for or against such legislation, both the preliminary bill analysis and the subsequent advocacy meeting constitute reportable Lobbying.

(2) If an organization or firm provides both Lobbying and non-lobbying legal services to a Client, the Statement of Registration should only identify as Individual Lobbyists those persons who performed Lobbying services, however, all services related to the Lobbying Activity provided by the organization or firm are reportable expenses.

(b) *News gathering and publication.*

Newspapers and other periodicals and radio and television stations, and owners and employees thereof, provided that their activities in connection with proposed legislation, rules, regulations or rates, municipal ordinances and resolutions, executive orders, tribal-state compacts, memoranda of understanding or other tribal-state agreements related to Class III gaming as provided in 25 U.S.C. §2701, or Procurement Contracts by a State Agency, Municipal Agency, Local Legislative Body (as defined in section 943.8), the State legislature, or the Unified Court System, are limited to the publication or broadcast of news items, editorials or other comments, or paid advertisements.

respectively and communications made pursuant to community outreach efforts for broadcast stations required by federal law.

(d) *Participation at certain public proceedings.*

Persons who participate as witnesses, attorneys or other representatives in public proceedings of a State or Municipal Agency (as defined in Section 943.8 of this Title) with respect to all participation by such persons which is part of the public record thereof and all preparation by such persons for such participation.

(e) *Adjudicatory Proceedings.*

(2) This exception applies only if the person did not urge the requesting party to make the request.

(g) Local lobbying by IRC Section 6033(a) religious organizations.

Any attempt by a church, its integrated auxiliary, or a convention or association of churches that is exempt from filing a federal income tax return under paragraph 2(A)(i) of section 6033(a) of Title 26 of the United States Code or a religious order that is exempt from filing a federal income tax return under paragraph (2)(A)(iii) of such section 6033(a) to influence passage or defeat of a local law, ordinance, resolution or regulation or any rule or regulation having the force and effect of a local law, ordinance or regulation.

(h) Licenses and Permitting.

- (1) Applications for licenses, certificates, and permits authorized by statutes or local laws or ordinances.
- (2) This exception includes applications for special permits, variances, and revocable consents.

943.5 Lobbying Activities – General Provisions and Restrictions.

(a) General Provisions

- (1) All Lobbying Activities are either Direct or Grassroots Lobbying.
- (2) All Lobbying Activity is conducted by a Lobbyist for the benefit of a Beneficial Client, but a Lobbyist and Beneficial Client can be the same person or organization.
- (3) Reporting requirements under the Lobbying Act are not necessarily triggered by engaging in Lobbying Activity alone, but rather when the criteria established in subsection 943.9(a)(1) have been satisfied.

(b) Online Ethics Training

- (1) All registered Lobbyists must complete an online ethics training, as provided by the Commission;
- (2) Such training must be completed by a registered Lobbyist once every three years, as follows:
 - (i) Complete the training within 60 days of initial registration;
 - (ii) Complete the training again within three years of the date the Lobbyist first or subsequently completed the training, if such Lobbyist is still registered to lobby at such time; and/or
 - (iii) If there is a lapse in a Lobbyist's registration, complete the training

again within 60 days of re-registration to lobby or three years from the date such Lobbyist last completed such training, whichever is later.

(c) Restrictions

(1) All individuals or entities required to be listed on a Statement of Registration are subject to the Gift restrictions set forth in Part 934 of this Title.

(i) This prohibition applies to both the Contractual Client and Beneficial Client.

(ii) With respect to Coalitions, the Beneficial Client includes individual members of a Coalition who exceed \$5,000 in Lobbying Compensation and Expenses, and, therefore, such members are subject to such Gift restrictions.

(2) Pursuant to section 1-k of the Lobbying Act prohibiting contingent retainers, no Client may pay and no Lobbyist may receive Compensation in which the amount or rate is contingent on the outcome or terms of any Attempt to Influence an activity listed in sections 1-c(c)(i)-(x) of the Lobbying Act.

(i) This prohibition applies to both the Contractual Client and Beneficial Client.

(ii) With respect to Coalitions, the Beneficial Client includes individual members of a Coalition who exceed \$5,000 in total Lobbying Compensation and Expenses, and, therefore, no such member of a Coalition may enter into a contingent retainer with any Lobbyist.

(3) Stock or equity payments for Lobbying Activity are presumed impermissible, and are *per se* a violation of the contingent retainer prohibition.

(i) This presumption can only be overcome by a showing that the value of stock or equity is not directly dependent on the outcome of the government action.

(ii) Application to the Commission is required to approve any such stock or equity payments for Lobbying Activity. The Commission shall respond to an application within 30 days or soon thereafter and, in rendering a decision, consider factors including:

(a) Whether stock is publicly traded or closely held;

(b) Whether the Lobbying Activity addresses a Lobbying firm's entry or continued access to a geographic or product market;

(c) Whether the government action has broad impact across an industry or population, not simply impacting a small number of organizations;

(d) Any trading activity and changes in price, appraisal, or valuation over the preceding 12 months; and

(e) Other such factors as determined by the Commission.

943.6 Direct Lobbying

All definitions in section 943.3 are in effect unless otherwise noted below.

(a) Definitions.

(1) *Direct Contact*

- (i) Means any communication or interaction directed to a Public Official, including, but not limited to:
 - (a) Verbal communications;
 - (b) Written communications;
 - (c) Electronic communications, including electronic mail, Social Media communications, and Internet communications;
 - (d) Attendance at a meeting with a Public Official; or
 - (e) Presence on a phone call with a Public Official, when the Official is aware of such presence;
- (ii) Direct Contact with a Public Official also includes direct contact with the members of the Public Official's staff.
- (iii) Direct Contact does not include any communication that is directed to a group of which a Public Official is incidentally a member, or is intended for the public. For example, the following generally will not constitute Direct Contact:
 - (a) An opinion piece published in a newspaper;
 - (b) A statement made to a reporter that is published or broadcast

by a media outlet;

(c) A blog post;

(d) Attendance at a speech or public meeting;

(e) A speech to a group or at a public meeting; or

(f) Any of the communications listed in subsection 943.6(c)(5)(ii).

(2) *Preliminary contact* includes any of the following, when the Lobbyist knows or has reason to know that the Client will Attempt to Influence a Public Official on a matter covered by the Lobbying Act:

(i) Scheduling a meeting or telephone call with a Public Official and a Client;

(ii) Introducing a Client to a Public Official; or

(iii) Any other contact with a Public Official on behalf of a Client.

Note: A person who schedules a meeting or places a call in a purely administrative capacity is not required to be identified as an Individual Lobbyist; such activity is attributable to the person who directed that the call be made or that the meeting be set up.

(b) Direct Lobbying.

(1) A person is engaged in Direct Lobbying when the person:

(i) Has Direct Contact with a Public Official to Attempt to Influence an action enumerated in section 1-c(c)(i)-(x) of the Lobbying Act; or

(ii) Has Direct or Preliminary Contact with a Public Official to enable

or facilitate an Attempt to Influence.

(2) A person is not engaged in Direct Lobbying when the person:

(i) Attends a meeting with a Public Official simply to provide technical information or address technical questions;

(ii) Attends a meeting to provide clerical or administrative assistance (including audio/visual, translation or interpretation, and sign language);
or

(iii) Attends a meeting to observe for educational purposes; and

(iv) Plays no role in the strategy, planning, messaging or other substantive aspect of the overall lobbying effort.

(3) Direct Lobbying can include Direct Contact with a Public Official who supports the position being advocated by the Lobbyist or his Client.

(4) Direct Lobbying can include Direct Contact with a Public Official during an organization's Lobby Day.

(i) *Individual Lobbyist – When to Include*

(a) An employee of an organization coordinating a Lobby Day is engaged in Direct Lobbying via the Lobby Day and must be identified by such organization as an Individual Lobbyist only if:

(1) the employee makes Direct Contact with a Public Official and speaks on behalf of the organization at the Lobby Day.

(b) A Designated Lobbyist of an organization coordinating a

Lobby Day is engaged in Direct Lobbying via the Lobby Day and must be identified by such organization as an Individual Lobbyist if:

(1) the Designated Lobbyist makes Direct Contact with a Public Official and speaks on behalf of the organization at the Lobby Day.

(c) An organization coordinating a Lobby Day is not required to list volunteers or members of such organization as Individual Lobbyists.

(ii) Reportable Expenses for Lobby Days

(a) An organization coordinating a Lobby Day must disclose reportable expenses attributable to a Lobby Day, which may include, but are not limited to:

(1) time spent by employees at the Lobby Day if such employees are compensated for their time;

(2) staff time allocated to planning the Lobby Day;

(3) expenses related to placards, signs, t-shirts or other advocacy paraphernalia; and

(4) expenses related to transportation to and from the Lobby Day.

(c) Direct Lobbying through Social Media

(1) A Social Media communication that Attempts to Influence an action enumerated in section 1-c(c)(i)-(x) of the Lobbying Act constitutes Direct Contact for purposes of Direct Lobbying if such communication:

- (i) Is directly sent to a Social Media account known to be owned or controlled by a Public Official; or
- (ii) Creates a direct electronic link to any Social Media account known to be owned or controlled by a Public Official.

(2) Direct Contact with a Public Official through a Social Media communication also includes contact that is targeted and directed to members of the Public Official's staff through a Social Media communication and done with the knowledge that such persons are members of the Public Official's staff.

(3) *Individual Lobbyist – When to Include*

- (i) An employee of an organization engaged in Direct Lobbying via Social Media is required to be identified as an Individual Lobbyist of the organization if:
 - (a) the individual makes Direct Contact with a Public Official in the course of the individual's employment; and
 - (b) such Contact is not a part of a coordinated, mass Social Media Campaign engaged in by the organization.

For example, if an organization has drafted a post on its Facebook page and

requires its employees to share the post and tag a Public Official as part of a Social Media Campaign conducted by the organization, such employees need not be identified as Individual Lobbyists of the organization.

(4) Attribution of Social Media activities and expenses to organizations.

- (i) For purposes of determining whether activities constitute reportable Lobbying Activity by an organization, the personal Social Media activities of an individual are attributable to that organization *only* when those activities are conducted in the course of such person's employment.
- (ii) Reportable expenses attributable to an organization's Social Media activities that constitute Direct Lobbying may include, but are not limited to: consulting services, staff time allocated to planning and posting, search engine optimization and sponsoring, and advertising.

For example, using the same scenario described in paragraph (3) of subdivision (c) of this section, although the organization need not identify such employees as Individual Lobbyists of the organization, it must calculate the staff time spent drafting the language it plans to post and the time spent by its employees posting the Social Media message. Such calculations must be included in reportable lobbying expenses attributable to the organization.

A reasonable methodology used by an organization in good faith to calculate lobbying expenses related to Direct Lobbying via Social Media is acceptable.

(5) Examples

(i) Any of the following could be Direct Lobbying through Social Media:

- (a) A direct message sent to a Public Official through Social Media (e.g., through Facebook Messenger, Twitter Direct Message);
- (b) A post on a Public Official's Social Media page;
- (c) A post on a person's own Social Media page that tags a Public Official, when the post is done in the course of such person's employment; or
- (d) A tweet tagging a Public Official, when posted by a person in the course of such person's employment.

(ii) The following, standing alone, would not constitute Direct Lobbying through Social Media:

- (a) A post that references, but does not tag, a Public Official, even if the Public Official is among the person's or organization's friends or followers;
- (b) A post on a person's own Social Media page that takes a clear position on an action enumerated in section 1-c(c)(i)-(x) of the Lobbying Act that does not tag a Public Official, even if the Public Official is among the person's friends or followers; or
- (c) A tweet that references, but does not tag, a Public Official, even if the Public Official is among the poster's followers.

943.7 Grassroots Lobbying

(a) Principles.

- (1) While Direct Lobbying attempts to influence a Public Official through a Direct Contact by the Lobbyist, Grassroots Lobbying attempts to influence a Public Official indirectly, or through another.
- (2) A Grassroots Lobbyist is a person or organization who solicits another to deliver a message to a Public Official; the audience or recipients of grassroots communications who voluntarily (and without compensation) subsequently deliver the message to the Public Official are not Grassroots Lobbyists.
- (3) Every Grassroots Lobbying Communication is attributable to a Lobbyist, which may be the organization as a whole, but may not necessarily require the identification of any Individual Lobbyists, as set forth in subparagraphs (c)(2) and (d)(2) of this section.

(b) Definitions.

- (1) *Grassroots Lobbying* means an attempt to indirectly influence an action enumerated in section 1-c(c)(i)-(x) of the Lobbying Act through a Grassroots Lobbying Communication, which may be communicated via various forms, including, but not limited to, those listed in subsection 943.7(e).

(2) *Grassroots Lobbying Communication* means a communication that:

- (i) References or otherwise implicates an action enumerated in section 1-c(c)(i)-(x) of the Lobbying Act;
- (ii) Takes a clear position on that action;
- and
- (iii) Includes a Call to Action.

(3) *Call to Action* means:

- (i) A solicitation, exhortation, or encouragement to the public, a segment of the public, or an individual to: (1) directly contact a Public Official; or (2) solicit, exhort, or encourage others to directly contact a Public Official. To qualify as a Call to Action, the communication need not specify the form the contact must take;
- (ii) The inclusion of an address, email address, website address, phone number or similar contact information for a Public Official even if the communication does not specifically exhort the public to contact the Public Official; or
- (iii) The inclusion of a paper or electronic petition, text message, social media communication, or similar material (or electronic link to such petition or material) for the recipient to use to communicate with a Public Official even if the communication does not specifically exhort the public to use such material.

(c) Grassroots Lobbying and the Lobbying Organization

- (1) An organization engages in Grassroots Lobbying on its own behalf when a Grassroots Lobbying Communication is issued by the organization, including when an employee delivers a Grassroots Lobbying Communication at the direction of the organization.

For example, an organization that includes a Grassroots Lobbying Communication on its website is engaging in Grassroots Lobbying on its own behalf.

An organization that issues a press release on its own letterhead that includes a Grassroots Lobbying Communication is engaging in Grassroots Lobbying on its own behalf.

(2) *Individual Lobbyists – When to Include*

- (i) An employee of a Lobbying Organization must be identified as an Individual Lobbyist by the organization when the employee:
- (a) delivers a Grassroots Lobbying Communication;
 - (b) can be identified as the speaker; and
 - (c) participates in shaping the message expressed in the communication in the course of such employee's employment.

(1) A person must perform more than a clerical function but need not have full or final decision-making authority over a communication to participate in shaping the message.

For example, the following employee should be identified as an Individual Lobbyist: An employee who, in the course of his employment, speaks at a rally on behalf of his organization and calls for people to contact a Public Official to urge such Official to vote against a pending bill.

The following employee should not be identified as an Individual Lobbyist: An employee who handles media buys for the organization and transmits the content of a Grassroots Lobbying Communication for publication.

(d) Grassroots Lobbying and the Retained Lobbyist.

(1) A retained individual or organization's activities on behalf of a Client constitute Grassroots Lobbying if the individual or organization delivers a Grassroots Lobbying Communication and can be identified as speaking for, representing, or endorsing the position of the Client.

(i) A person is not required to be identified as an Individual Lobbyist solely by being included as a contact person on a Client's Grassroots Lobbying Communication on Client letterhead.

For example, the owner of a billboard is not speaking for, representing, or endorsing the position taken by the Client that has rented space on the billboard.

However, an individual who is paid to speak at a conference on behalf of a Client and delivers a Grassroots Lobbying Communication would be interpreted as representing or speaking for the Client and should be identified as an Individual Lobbyist.

(e) General Grassroots Lobbying Examples.

(1) Any of the following could be Grassroots Lobbying, as defined herein, if the required elements of a Grassroots Lobbying Communication are otherwise present:

- (i) Rallies;
- (ii) Billboards;
- (iii) Print media advertisements;
- (iv) Websites;
- (v) Social Media communications;
- (vi) Television and radio commercials;
- (vii) Letter writing campaigns; or
- (viii) Personal requests by a Lobbyist for another person to contact a public official.

(2) The following functions or roles would require identifying a person as an Individual Lobbyist if all the required elements of Grassroots Lobbying are otherwise present:

- (i) Serves as a spokesperson for the Lobbying Organization or Client or

speaks to the public or a segment of the public;

(ii) Participates in a Social Media Campaign as defined in subsection 943.3(w);

(iii) Exhorts, encourages, or otherwise solicits a municipal Public Official to contact a State Public Official on a matter covered by section 1-c(c) of the Lobbying Act; or

(iv) Exhorts, encourages, or otherwise solicits a State Public Official to contact a municipal Public Official on a matter covered by section 1-c(c) of the Lobbying Act.

(3) The following functions or roles, standing alone, would not constitute

Grassroots Lobbying:

(i) Owners of billboards or signs;

(ii) Copy editing;

(iii) Advertisement writers;

(iv) Storyboard artists;

(v) Film crews;

(vi) Photographers;

(vii) Video editors;

(viii) Website managers, hosts, or internet service providers;

(ix) Media outlets or broadcasters;

(x) Media buyers or placement agents;

(xi) Delivery services; or

(xii) Secretaries, clerical, and ministerial staff.

(f) Grassroots Lobbying through Social Media.

(1) A Social Media communication constitutes a Grassroots Lobbying

Communication when it satisfies the criteria set forth in subpart 943.7(b)(2).

(2) Attribution of Social Media activities and expenses to Lobbying Organizations and organizations using Retained Lobbyists.

(i) For purposes of determining whether activities constitute reportable Grassroots Lobbying by an organization, the personal Social Media activities of an individual are attributable to that organization *only* when those activities are conducted in the course of such person's employment.

(ii) Reportable expenses attributable to an organization's Grassroots Lobbying via Social Media may include, but are not limited to: consulting services, sponsoring posts, staff time allocated to planning and posting, search engine optimization and sponsoring, and advertising.

(iii) A reasonable methodology used by an organization in good faith to calculate lobbying expenses related to Grassroots Lobbying via Social Media is acceptable.

943.8 Procurement Lobbying

(a) Definitions.

(1) *Procurement Lobbying* means an Attempt to Influence a determination related to a Governmental Procurement by:

- (i) A Public Official, or a person or entity working with a Public Official; or
- (ii) An officer or employee of the Unified Court System, or a person or entity working with an officer or employee of the Unified Court System.

(d) *RESERVED.*

943.9 Reportable Lobbying Activity

(a) General Reporting Obligations.

(1) The Lobbying Act requires public disclosure of the identities, activities and expenditures of Lobbyists and Clients. To constitute reportable Lobbying, there must be (1) an attempt to influence an activity listed in §1-c(c) of the Lobbying Act, and (2) the cumulative Compensation and Expenses received, expended or incurred for any such activities must exceed \$5,000 in any calendar year during a biennial period.

(2) Lobbying Activity is either Direct or Grassroots Lobbying.

(3) Lobbying Activity that includes only Grassroots Lobbying may not necessarily require the identification or disclosure of any Individual Lobbyists.

(b) Obligations of the Responsible Party.

(1) All Statements or Reports required under the Lobbying Act or set forth in the Commission's regulations must be signed by the Responsible Party for the Lobbyist or Client, as applicable, or another who has been designated to sign and file such required Statement or Report. Such a designation must be signed by the

Responsible Party and Designee, completed and submitted to the Commission before the due date of such Statements or Reports.

(c) Cumulative threshold. For purposes of calculating total Compensation and Expenses received, expended or incurred by a Lobbyist or Client, the \$5,000 annual threshold shall be computed cumulatively for all Lobbying Activities undertaken by the Lobbyist or Client (whether as a Beneficial Client or Contractual Client).

(d) Accounting Methods.

(1) All Compensation and Expenses associated with Lobbying Activity should be accounted for using accrual basis accounting, *i.e.*, costs are reported in the period in which they are incurred.

(2) A Lobbyist or Client has a duty to amend a Bi-Monthly or Client Semi-Annual Report after a previously reported payment is written down, written off, or otherwise modified for bookkeeping purposes.

(e) Expenses.

(1) Definition

An *Expense* is any cost of Lobbying Activity that is not Lobbyist Compensation.

(i) An Expense can only be incurred in connection with a Lobbying Activity.

 - (a) Client Filer should indicate if the Expense was a reimbursement to the Lobbyist.
 - (b) Lobbyist filer should indicate whether the Expense was reimbursed by the Client.
- (iv) Reimbursed. Lobbyist should report the aggregate value of all Expenses (regardless of value of the individual Expenses) that were reimbursed by the Client.

- (i) State or local lobbying filing fees;
- (ii) Printing or postage that does not exceed \$500 in the aggregate;

(f) Compensation. *Compensation* means all direct or indirect payments of salaries or other things of value provided to a Lobbyist in exchange for Lobbying or services that are otherwise in furtherance of Lobbying Activity, including year-end or other bonuses but not fringe benefits.

(g) Record Keeping.

- (1) All expenditures of \$50 or more related to Lobbying Activity must be paid by check or supported by receipt.
- (2) Such checks or receipts must be maintained for three years from the date the expense was required to be reported.

(h) Filing Requirements for Multi-Party Lobbying Relationships and Coalitions.

Some Lobbyist/Client relationships include multiple Lobbyists, multiple Clients, or multiple entities comprising a single Client, and all of these entities must be disclosed in Lobbying reports filed with the Commission.

(1) Requirements relating to Contractual vs. Beneficial Clients.

- (i) All reports requiring disclosure of the Client must include both the Contractual and Beneficial Client(s).
- (ii) The Contractual Client is responsible for filing Client Semi-Annual Reports, except for the Source of Funding Disclosure section of such Report, as set forth in subparagraph (iii) of this paragraph and Part 938 of this Title.
- (iii) The Beneficial Client is responsible for the Source of Funding Disclosure section of the Client Semi-Annual Report, as set forth in Part 938 of this Title.

(2) Multiple Lobbyists. All reports must disclose all Lobbyists performing services, whether on a single contract or through a subcontracting relationship.

- (i) Subcontracting.
 - (a) A Lobbyist who, after entering into a Lobbying agreement with a Contractual Client, retains the services of another to perform a portion of the services within the scope of the agreement, is a Prime Lobbyist.

- (b) A Lobbyist who is engaged to perform services by a Prime Lobbyist, as part of an agreement between the Prime Lobbyist and the Contractual Client, is a Sub-Lobbyist.
- (c) A Prime Lobbyist and Sub-Lobbyist are both subject to the reporting requirements of the Lobbying Act, to be filed on forms provided by the Commission, but are only required to disclose the Lobbying Activity and Compensation and Expenses related to the services they each provided, respectively.
- (d) On any Bi-Monthly Report or Statement of Registration, the Prime Lobbyist must identify the Client, itself and all Sub-Lobbyists engaged on behalf of the Client.
- (e) On any Bi-Monthly Report or Statement of Registration, the Sub-Lobbyist need only identify itself, the Prime Lobbyist and the Beneficial Client.

(ii) Co-Lobbyist.

All Lobbyists who are retained by a Client on the same single retainer agreement or contract are Co-Lobbyists, and must file individual Lobbying reports with the Commission. Co-Lobbyists must identify other Co-Lobbyists but need disclose only their own Lobbying Activity and Compensation and Expenses.

(3) Coalitions.

(i) Definition.

(a) *Coalition* means a group of otherwise-unaffiliated entities or

members who pool funds for the primary purpose of engaging in Lobbying Activities on behalf of the members of the Coalition.

(1) *Coalition* shall not include any organization qualified as exempt under sections 501(c)(5) or (c)(6) of the Internal Revenue Code.

(b) *Affiliated* has the meaning described in section 943.3 of this Title.

(ii) A Coalition that expends or incurs more than \$5,000 in annual

Compensation and Expenses related to Lobbying Activity shall either:

(a) File a Lobbying report with the Commission identifying itself as a Lobbyist and/or a Client, provided the Coalition identifies a Responsible Party and it maintains an up-to-date written or electronic record with the Commission disclosing all Coalition members who exceed \$5,000 in cumulative annual Lobbying compensation and expenses; or

(b) If the Coalition does not file its own Lobbying report, then each member who is required to file a Lobbying report (either through the Coalition activity and/or other Lobbying Activity engaged in by the member) must disclose in such report their own contribution to such Coalition, including the contribution amount and name of the Coalition to which it contributed.

(iii) If a Coalition files its own Lobbying report, as provided in subsection

943.9(h)(3)(ii)(a):

(a) A member's contribution to a Coalition is not considered a Lobbying expenditure for purposes of determining whether the

member itself must register as a Lobbyist and/or file Bi-Monthly or Client Semi-Annual Reports; and

(b) The Coalition may use, and rely upon in good faith, the responses to a questionnaire provided by the Commission to send to each Coalition member to determine whether such member exceeds \$5,000 in cumulative annual Lobbying compensation and expenses and would thereby need to be listed as a Coalition member in the record provided to the Commission, as required by 943.9(h)(3)(ii)(a).

(iv) If a Coalition does *not* file its own Lobbying Report, as provided in subsection 943.9(h)(3)(ii)(b), then a member's contribution to a Coalition *is* considered a Lobbying expenditure for purposes of determining whether the member itself must register as a Lobbyist and/or file Bi-Monthly or Client Semi-Annual Reports.

(a) With respect to members whose *only* Lobbying Activity involves the member's contribution to a Coalition and such contribution is over \$5,000, such member must register as a Lobbyist on its own behalf, and identify the named Coalition. For example, as provided above, if a Coalition elects not to file as a Lobbyist or Client, then a member's contribution counts as a lobbying expenditure of the member for purposes of determining whether the member itself must register as a Lobbyist and/or file Bi-Monthly or Client Semi-Annual Reports. For members who already file as either a Lobbyist or Client based on other

Lobbying Activity or, by counting the contribution to the Coalition will now exceed the \$5,000 threshold, then the contribution should be listed as an expense to the named Coalition in whatever Lobbying report (Bi-Monthly or Client Semi-Annual) is appropriate for the member to file based on its other Lobbying Activity.

For those members who engage in no other Lobbying Activity aside from the contribution to the Coalition and such contribution exceeds the \$5,000 threshold, such members must register and file reports as a Lobbyist on its own behalf and identify the named Coalition.

(v) Regardless of which filing method a Coalition elects to utilize under Section 943.9(h)(3)(iv) or how a member reports its contribution if required under Section 943.9(h)(3)(ii), each Coalition member that expends more than \$5,000 in Lobbying Compensation and Expenses is considered a Beneficial Client and, therefore, a member's contribution to a Coalition impute back to the member for purposes of determining whether the member is subject to the Source of Funding disclosure requirements set forth in Part 938 of this Title.

(i) Except as otherwise provided in this Part, all references to Lobbyists and Clients include Public Corporations.

- (j) Industrial Development Agencies Representing Populations Exceeding 5,000.
 - (i) Real property purchase, sale, or lease agreements, including purchase-leaseback, lease-leaseback, and other hybrid agreements by Industrial Development Agencies representing populations exceeding 5,000 are Procurement Contracts, and as a result, Attempts to Influence a determination by a Public Official regarding such a Procurement Contract constitute Reportable Lobbying. This includes the inclusion of or terms to an agreement for Payments in Lieu of Taxes.
 - (ii) Resolutions of an Industrial Development Agency (representing a population of more than 5,000) are covered activities under Section 1-c(c) of the Lobbying Act, and as a result, attempts to influence such a resolution can constitute Reportable Lobbying. This includes the inclusion of, or terms to an agreement for Payments in lieu of Taxes.

943.10 Lobbyist Statement of Registration

(a) Purpose. The purpose of the Statement of Registration is to memorialize the engagement of the Lobbyist by the Client, and should reflect the then-current terms of the engagement at any point in time.

(b) Reporting Threshold.

(1) Pursuant to section 1-e of the Lobbying Act, every Lobbyist that incurs, expends, or receives or reasonably anticipates incurring, expending, or receiving more than \$5,000 in combined Reportable Compensation and Expenses for Lobbying Activity on a State and/or local level, in any calendar year during the biennial period, must file a biennial Statement of Registration with the Commission.

(2) For purposes of determining whether the thresholds have been met, the amounts incurred, expended or received shall be computed cumulatively for all Lobbying Activities.

(c) For purposes of this section, “biennial” shall mean every two-year period commencing with the January 1, 2005 – December 31, 2006 period, and so on thereafter.

(d) Once a Lobbyist meets or anticipates meeting the cumulative \$5,000 threshold, a

Lobbyist must file a Statement of Registration for every Client for whom the Lobbyist lobbies, regardless of Compensation or Expenses paid by each Client individually.

(e) Due Dates. All Statements of Registration must be filed on a biennial basis by the following deadlines (“Due Dates”):

(1) January 1st of the first year of the biennial period if:

- (i) the Lobbyist is providing services under an agreement that is in effect both before December 15th of the year immediately preceding the first year of a biennial registration period and after January 1st of the first year of a biennial registration period; and
- (ii) the Lobbyist reasonably anticipates combined Reportable Compensation and Expenses in excess of \$5,000 for Lobbying Activities to be undertaken in the coming year.

(2) Within 15 days of being retained, employed, or designated to Lobby, if:

- (i) the Lobbyist has been retained, employed, or designated to Lobby after December 15th of the year preceding the first year of the biennial period, for activity in either year of the biennial period.

(1) Such Statement of Registration should be filed within 15 days of the date on which the Lobbyist has agreed to – or been authorized to – begin Lobbying Activity.

(2) The Commission considers such date to be the start date provided in the Lobbying Agreement or authorization, not the

date of execution.

(3) No later than 10 days after exceeding the \$5,000 threshold, if the Lobbyist actually incurs or receives combined Compensation and Expenses in excess of \$5,000 before filing a Statement of Registration.

(f) A Statement of Registration is not deemed to be received unless and until the Statement is complete and includes the filing fee and all the required elements set forth in subsection 943.10(j).

(g) Any submitted Statement of Registration that is not timely filed will be subject to the late fee schedule set forth below:

<u>Days Late</u>	<u>Action</u>

A Lobbyist is considered a First-Time Filer only when the Lobbyist is required to file a Statement of Registration for the first time. First-Time Filer status applies to the first Statement of Registration received by the Commission from such Lobbyist and any other Statements received from such Lobbyist on that same day.

(h) If the Commission determines that the Lobbyist had access to the information that was not filed, and knowingly and willfully failed to include the information, the Lobbyist may be subject to a civil penalty not to exceed \$25,000 for a failure to timely file a complete and accurate statement.

(i) Filing Fee.

(1) A \$200 filing fee (payable in U.S. dollars) must be submitted with each Statement of Registration for the biennial period that the Lobbyist reasonably anticipates exceeding \$5,000 in combined Reportable Compensation and Expenses for any year in the biennial period. A Statement of Registration submitted without such a

filing fee shall be deemed incomplete.

(2) No fee is required if the Lobbyist will not exceed \$5,000 in such Compensation and Expenses for that Client, however, a fee is required if the Lobbyist later exceeds the \$5,000 threshold.

(3) Any biennial Statement of Registration submitted to cover Lobbying conducted only during the second year of the biennial period shall be accompanied by a prorated registration fee of \$100.

(4) Statement of Registrations that are filed late and cover either the entire biennial period or a portion of both years within the biennial period shall not be prorated.

(iii) A Public Corporation that lobbies on its own behalf is the Principal Lobbyist.

(3) The name of all Individual Lobbyists to perform lobbying services on behalf of the Client; provided, however:

(i) in the case of a Lobbying Organization that incurs no Compensation

(7) Client information for all Contractual and Beneficial Clients, which shall include the Clients' names, business addresses, phone and email contacts, the nature of business, and the Chief Administrative Officers' names and titles;

(8) The level of government expected to be lobbied which shall indicate whether the expected Lobbying will be State lobbying, local Lobbying or both;

(9) The identities of other parties to the Lobbying, as described in subsection 943.9(h), including all Lobbyists, Clients, and Coalitions;

(i) In the case of a Coalition which elects to file a Lobbying report as provided in subsection 943.9(h)(3)(ii)(a), a list of all members of the Coalition who exceed \$5,000 in cumulative annual Lobbying compensation and expenses; and

(10) Any Reportable Business Relationships in accordance with and as defined in section 943.14.

(k) Amendments to Lobbyist Statement of Registration.

(1) Except as provided in subsection 943.10(k)(3), any change – permanent or temporary – to the terms of an agreement or authorization for Lobbying requires an amended Lobbyist Statement of Registration form, which must be completed and filed with the Commission within 10 days of such change. Such amendment must include:

(i) The name of the Lobbyist and Client;

(ii) The new or changed information; and

(iii) The signature of the Responsible Party or designee, if applicable.

- (3) Changes to the subject matter or targets of Lobbying do not require an amended Statement of Registration.
 - (4) No filing fee is required for a Registration Amendment provided the original Statement of Registration filing fee has already been paid for the applicable biennial period.
 - (5) *After* the termination of the Agreement, any decision by a Lobbyist to waive, write-down, or otherwise reduce the prior Compensation and Expenses owed to the Lobbyist by the Client does not require an Amended Statement of Registration.
- (1) Termination of Lobbying Agreement/Authorization.
- (1) If a Lobbying agreement or authorization terminates on the date specified in the agreement or authorization, then neither the Lobbyist or the Client must notify the

Commission in writing of such termination. Likewise, if the termination takes effect at the end of the biennial registration cycle, written notification of termination is not required. However, if the agreement or authorization is terminated before the termination date, both the Lobbyist and the Client must notify the Commission in writing within 30 days after the Lobbyist ceases Lobbying Activity.

(2) A Lobbyist may submit a request to the Commission in writing or by email requesting withdrawal of a termination if Lobbying will resume during the biennial registration period.

(i) Such request must be signed/submitted by the Responsible Party or designee;

(ii) An amended Statement of Registration must also be completed and filed with the Commission within 10 days of the change and include a new written agreement or authorization from the Client.

(m) Withdrawals.

(1) A Lobbyist may request that a Statement of Registration be withdrawn, provided the request is made consistent with and meets the criteria set forth in procedures implemented by the Commission.

(2) A Statement of Registration that has been withdrawn pursuant to this subpart is not considered information provided by a Lobbyist under Section 1-s of the Lobbying Act.

943.11 Lobbyist Bi-Monthly Reports

(a) Purpose. Lobbyist Bi-Monthly Reports record all actual Lobbying Activity during the relevant filing period.

(b) Any Lobbyist required to file a Statement of Registration for a Client for any biennial period must also file Bi-Monthly Reports in accordance with this section, regardless of Compensation, Expenses, or Lobbying Activity.

(c) Due date.

(1) Lobbyists must file a Bi-Monthly Report by the 15th of the month following the end of the bi-monthly reporting period in which the Lobbyist was first required to register. A schedule of the bi-monthly reporting periods is set forth below:

(i) January/February, Due March 15th

(ii) March/April, Due May 15th

(iii) May/June, Due July 15th

(iv) July/August, Due September 15th

(v) September/October, Due November 15th

(vi) November/December, Due January 15th

(2) All reports must be received by the Commission on or before the due date.

(3) If a report is due on a weekend or a State holiday, it must be received by the

Commission on the first business day following the weekend or State holiday.

(d) Any Bi-Monthly Report that is not timely filed will be subject to the late fee schedule set forth below:

<u>Days Late</u>	<u>Action</u>	
	First-Time Filer	All Other Filers
1 – 7 days	Grace Period/No Late Fee	
8 – 14 days	\$75 flat late fee	\$150 flat late fee
15 – 30 days	\$150 flat late fee	\$300 flat late fee
31 – 90 days	\$300 flat late fee	\$500 flat late fee
91 – 180 days	\$500 flat late fee	\$1,000 flat late fee
181 days and more	\$1,000 flat late fee	\$2,000 flat late fee

A Lobbyist is considered a First-Time Filer only when the Lobbyist is required to file a

Bi-Monthly Report for the first time. First-Time Filer status applies to the first Bi-Monthly Report received by the Commission from such Lobbyist and any other Reports received from such Lobbyist on that same day.

(e) Filing Fee. There is no filing fee for a Lobbyist Bi-Monthly Report.

(f) Contents. All Bi-Monthly Reports must include the following information to the maximum extent practicable:

(1) The name, address, e-mail address, and telephone number of the Principal Lobbyist;

(2) The names of all Individual Lobbyists who personally engaged in Lobbying Activity during the filing period;

(3) The name, address, e-mail address, and contact information of all Contractual and Beneficial Clients;

(4) The identities of any other parties to the Lobbying, as described in subsection 943.9(h), including all Lobbyists, Clients, and Coalitions;

(5) The subject matter(s) on which Lobbying occurred; and

(6) The governmental action that the Lobbyist Attempted to Influence which shall include the following, as applicable:

(i) The bill, rule, regulation, or rate number, if available, on which Lobbying

occurred;

- (ii) The title and identifying numbers of Procurement Contracts/documents on which Lobbying occurred;
- (iii) The number or subject matter of an Executive Order of the Governor or Municipality on which Lobbying occurred;
- (iv) The subject matter of and tribes involved in tribal-state compacts on which Lobbying occurred; and/or
- (v) In the event Lobbying is conducted in order to influence the introduction, intended introduction, or issuance of State legislation or a State resolution, a brief description of such activity.

(7) The name of the person, organization, or legislative body before which the Lobbyist has lobbied:

- (i) In the case of Direct Lobbying, the name of the Public Official or Public Official's office or the legislative committee, as applicable, with whom the Lobbyist engaged in direct communication;

For example, if a Lobbyist lobbies a Senator on one occasion and also sends out memos in support of a bill to all members of a legislative committee of which the Senator is a part, such Lobbyist would disclose the Senator's name and the name of the legislative committee.

If a Lobbyist meets with the Commissioner of Taxation and Finance as well as a staff member of the Office of Real Property Tax Services, such Lobbyist would disclose the Commissioner's name and the name of unit or department within the agency (the Office of Real Property Tax

Services).

(ii) In the case of Grassroots Lobbying, the intended target of the Lobbying Activity, which may be a person, State Agency, Municipality or legislative body; and

(8) All reportable Lobbying Compensation and Expenses (as defined in section 943.9) paid or owed by the Client for the current period only.

(i) Any reportable Compensation and Expenses incurred by a Lobbying Organization must be included in the Bi-Monthly Report, regardless of whether the Lobbying Organization also files a Client Semi-Annual Report.

(g) If the first required Bi-Monthly Report filed by a Lobbyist for a calendar year is not the Report covering the January-February period (due March 15), the Report should disclose all Lobbying Activities engaged in, Compensation received, and expenditures incurred during the year up to and including the period covered by the Report.

For example: if a Lobbyist does not anticipate receiving \$5,000 in Compensation and Expenses before the start of the calendar year, but does exceed \$5,000 on April 15, the first required Bi-Monthly Report is the Report due May 15, covering the March-April Bi-Monthly Period. The March-April Report should thus include all Lobbying Activity, Compensation, and Expenses for the calendar year, from January 1 until the end of the March-April Bi-Monthly Period, *i.e.*, April 30.

(h) Public Corporations. Notwithstanding the provisions in this section, a Public Corporation that is required to file a Statement of Registration under section 1-e of the Lobbying Act must also include information pertaining to the Activity, Compensation and Expenses for any Retained Lobbyists in the Bi-Monthly Report.

(i) Withdrawals.

(1) A Lobbyist may request that a Bi-monthly Report be withdrawn, provided the request is made consistent with and meets the criteria set forth in procedures implemented by the Commission.

(2) A Bi-monthly Report that has been withdrawn pursuant to this subpart is not considered information provided by a Lobbyist under Section 1-s of the Lobbying Act.

(j) A Lobbyist has a duty to amend a Bi-Monthly Report after a change to the information filed, including when a previously reported payment is written down, written off, or otherwise modified for bookkeeping purposes.

943.12 Client Semi-Annual Report

(a) Reporting Periods and Due Dates. The two reporting periods for Client Semi-Annual Reports are as follows:

(1) January 1 – June 30, for which the Report is due by July 15th; and

(2) July 1 – December 31, for which the Report is due by January 15th.

(b) Late Fees and Penalties. Failure to file a Client Semi-Annual Report in a timely manner as required by this section subjects the Client to civil penalties as prescribed by section 1-o(b)(i) of the Lobbying Act and/or late fees as prescribed in section 1-j(c)(iii) of the Lobbying Act. In addition, the submission of false filings subjects the Lobbyist or Client to a civil penalty as prescribed by section 1-o(b)(ii) of the Lobbying Act.

Any Client Semi-Annual Report that is not timely filed will be subject to the late fee schedule set forth below:

<u>Days Late</u>	<u>Action</u>	
	First-Time Filer	All Other Filers
1 – 7 days	Grace Period/No Late Fee	

8 – 14 days	\$75 flat late fee	\$150 flat late fee
15 – 30 days	\$150 flat late fee	\$300 flat late fee
31 – 90 days	\$300 flat late fee	\$500 flat late fee
91 – 180 days	\$500 flat late fee	\$1,000 flat late fee
181 days and more	\$1,000 flat late fee	\$2,000 flat late fee

A Client is considered a First-Time Filer only when the Client is required to file a Client Semi-Annual Report for the first time.

(c) Filing Fee. Each Client Semi-Annual Report must be accompanied by a \$50 non-refundable filing fee (payable in US dollars). No additional filing fee is required for amended Client Semi-Annual Reports provided an original fee is on file for that period.

(d) When Required.

(1) A Client Semi-Annual Report must be filed by any Client retaining, employing or designating a Lobbyist or Lobbyists, whether or not any such Lobbyist was

required to file a Statement of Registration or Bi-Monthly Report, if it is reasonably anticipated that during the year an amount in excess of \$5,000 in combined Reportable Compensation and Expenses for Lobbying will be expended or incurred.

(i) If a Client is required to file a Client Semi-Annual Report *solely* by virtue of its status as a Lobbying Organization, i.e., through its use of Employed or Designated Lobbyists, and the Client has filed Lobbyist Bi-Monthly Reports for the bi-monthly reporting periods that fall in the same Client semi-annual reporting period, then no Client Semi-Annual Report is required, other than source of funding disclosures prescribed by Part 938 of this Title and section 1-j(c)(4) of the Lobbying Act.

(2) If the \$5,000 reporting threshold is exceeded in the January/June period, then a July/December Client Semi-Annual Report must be filed even if no further monies are expended, unless the written agreement or authorization with the Client's Lobbyist is terminated on or before June 30th.

(3) If a January/June Client Semi-Annual Report is filed and the \$5,000 reporting threshold has not been met for the year, then a July/December Client Semi-Annual Report is not required.

(e) Responsible Party. The Responsible Party of the Client or another duly designated and reported to the Commission (prior to the due date for such Report) is responsible for signing and filing all Client reports. Any such designation must be signed by the

Responsible Party and Designee.

(f) Contents of a Client Semi-Annual Report. A Client Semi-Annual Report must include the following information:

- (1) The type of Lobbying which shall indicate whether the Lobbying involved non-procurement Lobbying, Procurement Lobbying or both;
- (2) The Client Information which shall include the Client's name, address, e-mail address, and business and fax numbers;
- (3) The Lobbyist Information which shall include the type of Lobbyist, level of government lobbying (State and/or local), Lobbyist name and address;
- (4) All Reportable Expenses (as defined in section 943.9) expended, received or incurred for Lobbying for the current period only;
- (5) All Reportable Lobbying Compensation (as defined in section 943.9) paid or owed to Lobbyists, including Retained Lobbyists, Employed Lobbyists, and Designated Lobbyists, for the current period only;
- (6) The identities of all parties to the Lobbying, as described in subsection 943.9(h), including all Lobbyists, Clients, and Coalitions;
 - (i) For Coalitions that file as a Client of a Lobbyist and do not file a Statement of Registration, the Coalition must maintain an up-to-date written or electronic record with the Commission disclosing all Coalition

members who exceed \$5,000 in cumulative annual Lobbying compensation and expenses;

(ii) Such Coalitions may use, and rely upon in good faith, responses to a questionnaire provided by the Commission to send to each Coalition member to determine whether such member exceeds \$5,000 in cumulative annual Lobbying compensation and expenses and would thereby need to be listed as a Coalition member in the record provided to the Commission, as required by 943.12(f)(6)(i);

(7) The subject matter(s) on which Lobbying occurred;

(8) The governmental action that the Client or the Client's Lobbyist Attempted to Influence which shall include the following, as applicable:

(i) The bill, rule, regulation, or rate number, if available, on which Lobbying occurred;

(ii) The title and identifying numbers of Procurement Contracts/documents on which Lobbying occurred;

(iii) The number or subject matter of an Executive Order of the Governor or Municipality on which Lobbying occurred;

(v) In the event Lobbying is conducted in order to influence the introduction, intended introduction, or issuance of State legislation or a State resolution, a brief description of such activity.

(9) The name of the person, organization, or legislative body before which the Client or Client's Lobbyist has lobbied:

(i) In the case of Direct Lobbying, the name of the Public Official or Public Official's office or the legislative committee, as applicable, with whom the Client or Client's Lobbyist engaged in direct communication;

(ii) In the case of Grassroots Lobbying, the intended target of the Lobbying Activity, which may be a person, State Agency, Municipality or legislative body;

(10) Any Reportable Business Relationships in accordance with and as defined in section 943.14, provided, however, Clients who Lobby on their own behalf need only report such relationships in their Lobbyist Statement of Registration; and

(11) Any Sources of Funding, if applicable, in accordance with Part 938 of this Title.

(g) Public Corporations. Notwithstanding the provisions of this section, a Public Corporation that is required to file a Statement of Registration under section 1-e of the Lobbying Act is required to file Bi-Monthly Reports that disclose information on any Retained Lobbyists; as a result, the Public Corporation is not required to file a Client Semi-Annual Report.

(h) Withdrawals.

- (1) A Client may request that a Semi-annual Report be withdrawn, provided the request is made consistent with and meets the criteria set forth in procedures implemented by the Commission.
- (2) A Semi-Annual Report that has been withdrawn pursuant to this subpart is not considered information provided by a Lobbyist under Section 1-s of the Lobbying Act.
 - (i) A Client has a duty to amend a Semi-Annual Report after a change to the information filed, including when a previously reported payment is written down, written off, or otherwise modified for bookkeeping purposes.

(e) Filing Fee. There is no filing fee for a Disbursement of Public Monies Report.

(f) Contents. Each Disbursement of Public Monies Report must include:

- (1) the name, address, e-mail address, and telephone number of the Lobbyist and the individuals employed by the Lobbyist engaged in such Public Monies Lobbying Activities;

- (2) A Disbursement of Public Monies Report that has been withdrawn pursuant to this subpart is not considered information provided by a Lobbyist under Section 1-s of the Lobbying Act.
- (h) A Lobbyist has a duty to amend a Disbursement of Public Monies Report after a change to the information filed, including when a previously reported payment is written down, written off, or otherwise modified for bookkeeping purposes.

943.14 Reportable Business Relationships

(a) Purpose. Disclosure of business relationships between Lobbyists or Clients of Lobbyists and State Persons will increase transparency in government.

(b) Definitions.

(1) *Client* includes every person or organization that retains, employs or designates any person or organization to carry on Lobbying Activities on behalf of such Client. With respect to an organization, the term Client also includes High-Level Individuals of the organization.

(2) *Compensation* means any salary, fee, gift, payment, benefit, loan, advance or any other thing of value. It does *not* include commercially available consumer and business loans or lines of credit as available to the general public, goods and services and discounts available to the general public, dividends or payments related to stock purchases, or contributions reportable under Article 14 of the New York State Election Law.

(3) *High-Level Individual* means a proprietor, partner, director, trustee or person within the executive management of a Client organization.

(i) When a college, as defined under Section 2 of the Education Law, is a Client organization, the members of the college's governing board, the president or chief executive, and the provost or chief academic officer

are High-Level Individuals.

(4) *Intended to be performed or provided* means the goods, services or anything of value have not yet been performed or provided, but the Lobbyist or Client, as applicable, reasonably anticipates such goods, services, or value to be performed or provided in the future.

(5) *Lobbyist* includes the lobbying firm or organization (the Principal Lobbyist for filing purposes) and every person identified on a Statement of Registration, as well as any equity partners, officers, or directors of the organization who operate out of the same geographic office as any person identified on a Statement of Registration.

(6) *Performed or provided* means that a State Person or an entity in which the State Person has the Requisite Involvement either actually performed or provided the goods, services, or anything of value, or had a significant, but not necessarily exclusive or primary role, in performing or providing the goods, services or anything of value.

(7) *Reason to know* means a Lobbyist or Client has reason to know that an individual is a State Person or that a State Person has the Requisite Involvement with an entity because a reasonable person, based on the totality of the facts and circumstances, would conclude that the Lobbyist or Client should know such fact. The following factors may be considered to determine whether a Lobbyist or Client had reason to know:

- (i) Origins of the relationship between the parties;
- (ii) Length of such relationship;
- (iii) The type and actual value of the goods, services or items provided;
and/or
- (iv) Whether the fact that the individual is a State Person or the Requisite Involvement of the State Person with the entity at issue is generally known to the public.

A Lobbyist or Client will be deemed to have had reason to know if such lack of knowledge results from willfully ignoring information that would lead a reasonable person to (i) conclude that the individual was a State Person, or that a State Person had the Requisite Involvement, or, (ii) undertake further research to determine whether either fact exists.

- (8) *Reportable Business Relationship* means a relationship that meets all the criteria listed in Part 943.14(c)(1).
- (9) *Reportable Business Relationship Form* means the form so entitled available on the Commission's website.
- (10) *Requisite Involvement* in an entity means when a State Person is a proprietor, partner, director, officer, or manager of a non-governmental entity, or owns or controls 10% or more of the stock of a non-governmental entity (or 1% in the case of a corporation whose stock is regularly traded on an established securities exchange).

(11) *State Person* includes:

- (i) statewide elected officials;
- (ii) members of the legislature or legislative employees;
- (iii) heads of State departments and their deputies and assistants, other than members of the board of regents of the university of the State of New York who receive no compensation or are compensated on a per diem basis;
- (iv) officers and employees of statewide elected officials;
- (v) officers and employees of State departments, boards, bureaus, divisions, commissions, councils, or other State agencies; and
- (vi) employees of public authorities (other than multi-state authorities), public benefit corporations and commissions at least one of whose members is appointed by the governor, and members or directors of such authorities, corporations, and commissions who are compensated other than on a per diem basis.

(c) Disclosing a Reportable Business Relationship.

(1) Elements of a Reportable Business Relationship.

A business relationship must be reported, regardless of when the relationship commenced, if at any time during a Calendar Year, all of the following criteria are met:

- (i) A formal or informal agreement or understanding exists in which a

Lobbyist or Client of a Lobbyist pays, has paid or promises

Compensation to:

- (a) An individual whom the Lobbyist or Client knows or has Reason to Know is a State Person;
 - (b) A non-governmental entity for which the Lobbyist or Client knows or has Reason to Know that the State Person has the Requisite Involvement; or
 - (c) A third-party as directed by the State Person or as directed by the entity.
- (ii) The payment or promise of Compensation is or was in exchange for goods, services, or anything of value either Performed or Provided or Intended to be Performed or Provided by the State Person or an entity in which the State Person has the Requisite Involvement; and
- (iii) The total value of the Compensation paid to the State Person or an entity in which the State Person has the Requisite Involvement, which must be aggregated if applicable in accordance with subsection 943.14(c)(2), exceeds \$1,000 within a Calendar Year. Such threshold is met once more than \$1000 in Compensation is:
- (a) Paid or owed to such State Person or entity for services Performed or Provided or Intended to be Performed or Provided.

(2) Aggregation of Compensation.

If a Lobbyist or Client has multiple business relationships with the same State Person, the same entity or entities in which a State Person has the Requisite

Involvement, then the value of the Compensation paid for goods, services or anything of value relating to such relationships must be aggregated. If the aggregated value of such Compensation is more than \$1,000 within a Calendar Year, then *each* relationship is a Reportable Business Relationship assuming all other criteria are satisfied.

(3) How and When to Report.

Once a Reportable Business Relationship exists a Lobbyist or Client must complete a Reportable Business Relationship Form and submit it to the Commission within 10 days of the Reportable Business Relationship's existence. For ongoing Reportable Business Relationships, Lobbyists and Clients must disclose on their Reportable Business Relationship Form all Calendar Years in which the Reportable Business Relationship is in existence.

(4) Reportable Business Relationship Form Considered Part of Filing.

In accordance with sections 1-e and 1-j of the Lobbying Act, which requires Lobbyists and Clients to disclose Reportable Business Relationships within their respective filings, a Reportable Business Relationship Form shall be considered a part of the Lobbyist's Statement of Registration or the Client's Semi-Annual Report, as applicable. Certain entities file both Lobbyist Statements of Registration and Client Semi-Annual Reports as they are considered both a Lobbyist and Client. These entities shall only be required to file the Lobbyist Reportable Business Relationship Form to comply with the filing requirement.

(5) Information Required in a Reportable Business Relationship Form.

For each Reportable Business Relationship, a Lobbyist or Client must provide the following information within the Reportable Business Relationship Form:

- (i) The name and public office address of the State Person or entity with which the State Person has the Requisite Involvement;
- (ii) A description of the general subject or subjects of the transactions between the Lobbyist or Client and the State Person (or the entity with which the State Person has the Requisite Involvement); and
- (iii) The actual or anticipated amount of Compensation, including reimbursable Expenses, to be paid and paid to the State Person (or entity with which the State Person has the Requisite Involvement) by virtue of the business relationship.

(6) Reportable Business Relationships of High-Level Individuals of Client Organizations.

For organizations that constitute a Client of a Lobbyist, each Reportable Business Relationship of its High-Level Individuals must be reported by the Client organization if:

- (i) The High-Level Individual entered in to the Reportable Business Relationship in his or her personal capacity; or
- (ii) Another entity entered in to the Reportable Business Relationship at the direction or request of the High-Level Individual.

For example: As a Client organization's High-Level Individuals have significant influence over decisions made by the organization, any Reportable Business Relationships under the personal control or direction of such High-Level Individuals should also be disclosed.

(7) Reportable Business Questionnaire.

A Lobbyist or Client organization may use, and rely upon in good faith, the responses to a questionnaire provided by the Commission to send to its equity partners, officers, directors or High Level Individuals, as applicable, to determine whether such persons have business relationships that must be reported.

(8) Duty to Amend Report.

If a material change occurs relating to information reported in the Reportable Business Relationship Form after it has been submitted, including material changes in the actual or anticipated amount of Compensation paid, an amended Reportable Business Relationship Form must be submitted to the Commission within 10 days of such change.

(9) Exclusions from Reportable Business Relationship Requirements.

Relationships between a Lobbyist or Client and a State Person or entity in which a State Person has Requisite Involvement that relate to the following are excluded

from reporting requirements:

- (i) Medical, dental and mental health services and treatment; and
- (ii) Legal services with respect to investigation or prosecution by law enforcement authorities, bankruptcy and domestic relations matters.

(d) Penalties.

Failure to report a Reportable Business Relationship in a timely manner as required by this section subjects the Lobbyist or Client to civil penalties as prescribed by section 1-o(b)(i) of the Lobbying Act and/or late fees as prescribed by sections 1-e(e)(iii) and 1-j(c)(iii) of the Lobbying Act and section 943.10 of this Title. In addition, the submission of false filings subjects the Lobbyist or Client to a civil penalty as prescribed by section 1-o(b)(ii) of the Lobbying Act.
