Recording of 2/5 lobbying training and presentation posted to JCOPE website

A recording of the February 5 training held in Albany to review the comprehensive lobbying regulations and the lobbying application has been posted to the JCOPE website at <https://jcope.ny.gov/lobbying-info-center> and at <https://jcope.ny.gov/jcope-lobbying-application-information>.

Due to technical difficulties during the second half of the session, the video includes the presentation of the regulations and related items, but we have also recorded the second portion as it was intended to be presented. The PowerPoint slides have also been posted in the Lobbying Info Center and are attached to this email.

Thank you to those who attended and thank you in advance to those who view this on our website. As always, if you have any questions about filings, please do not hesitate to contact the JCOPE Helpdesk at 800-87-ETHICS (873-8442) and press '1' when prompted. If you have legal questions, please reach out to our Attorney of the Day line, which can be reached at the same number but pressing '2' when prompted.
