13. List below the nature and amount of any income in EXCESS of \$1,000 from EACH SOURCE for the reporting individual and such individual's spouse for the taxable year last occurring prior to the date of filing. Each such source must be described with particularity. Nature of income includes, but is not limited to, all income (other than that received from the employment listed under Item 2 above) from compensated employment whether public or private, directorships and other fiduciary positions, contractual arrangements, teaching income, partnerships, honorariums, lecture fees, consultant fees, bank and bond interest, dividends, income derived from a trust, real estate rents, and recognized gains from the sale or exchange of real or other property. Income from a business or profession and real estate rents shall be reported with the source identified by the building address in the case of real estate rents and otherwise by the name of the entity and not by the name of the individual customers, clients or tenants, with the aggregate net income before taxes for each building address or entity. The receipt of maintenance received in connection with a matrimonial action, alimony and child support payments shall not be listed.
