

Step 3: How to Create or Claim Organization Profiles in LA

Effective April 23, 2020, the functionality of creating or claiming an Organization Profile in the Lobbying Application ('LA') has changed. This change was made to minimize the risk of duplicate Organization Profiles being created in LA. Please review these instructions in their entirety.

The following instructions are intended to assist Filers to:

- A. **Claim** an Organization Profile;
- B. **Create** a new Organization Profile (if an Organization Profile does not exist in the LA); or
- C. **Create** an Organization **'placeholder'** solely for the purposes of submitting a Filing

Option 'A' – Claim an Organization Profile or Option 'B'– Create New Organization Profile

Only the **'Responsible Party'** (Chief Administrative Officer, Delegated Administrator, or designee) of an Organization should **'Claim'** or **'Create'** an Organization Profile.

Example: I am the CAO of ABC Lobbying Organization (can be a Principal Lobbyist, Contractual Client, etc.). As the CAO, I can either **'claim'** my unverified Organization Profile (Profile exists in LA but has not been verified yet); or **'create'** a new Organization Profile for ABC Lobbying Organization.

Examples of what not to do:

- If you are a Client (Contractual or Beneficial), DO NOT create or claim the Organization Profile of your Principal Lobbyist.
- If you are a Principal Lobbyist, DO NOT create or claim the Organization Profile of your Client.
- If you are an Employed Lobbyist (you are both the Principal Lobbyist and the Contractual Client), DO NOT create or claim two different Organization Profiles with the same name. A Filer may submit a Lobbyist Statement of Registration and a Client Semi-Annual Report using the same Organization Profile.

PLEASE NOTE: A CAO, Delegated Administrator and Preparer must already have a **personal NY.gov ID account** and a verified User Profile in LA. The Individual's numeric ID, generated from a verified User Profile in LA, must be provided in the Organization Profile before they can be assigned a role within an Organization Profile. **See screenshot below for an example of an Individual numeric ID.**

Refer to Step 1: How to create an NY.gov ID account using the JCOPE Enrollment Link; and Step 2: How to create a new User Profile for detailed instructions.

User Profile				
Primary User Information EDIT				
Individual ID 17337				
Last Name Doe	First Name Jane	Middle Name	Suffix	
Title CAO				
<input type="checkbox"/> Is this user a Principal Lobbyist?				

Option 'C' – Create a Placeholder Organization so a Filing can be submitted

A Filer who is attempting to list either a Lobbyist or Client on a Filing but is unable to locate that organizations profile after entering their name in the search box located within the filing should create a 'place holder'.

***Example:** I am the CAO of ABC Lobbying Organization and my Contractual Client, 'XYZ Client', did not appear in the dropdown when I entered their name in the '**Contractual Client Name**' search field.*

To begin creating the "place holder" Profile, click on the link below and follow the steps accordingly.

Click "Add" If Principal Lobbyist is also Contractual Client

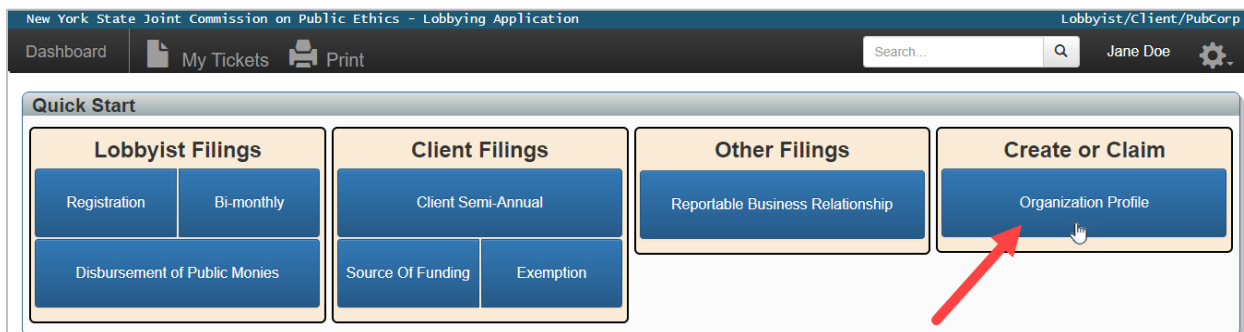

Contractual Client Name ⓘ Enter Name or Type * to View List

Note: You must be able to select the Organization profile in the search field.

[Please click here if this Organization is not listed](#) 

OPTION 'A' – Claim an Organization Profile

1. Click the 'Create or Claim Organization Profile' button from the Quick Start Menu on your Dashboard.

2. Type the first few characters of the Organization name in the 'Organization Name' field. If the Organization name is an exact match or contains similarities to an existing Organization Profile in LA, a list of pre-populated results will display. Please review ALL possible matches carefully to minimize the risk of a duplicate Profile being created in the LA.

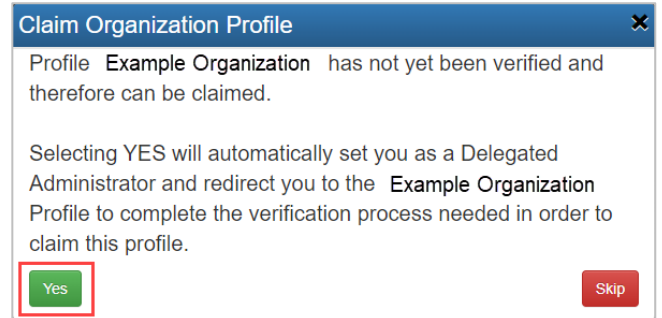

PLEASE NOTE: If any of the contact information (such as the phone number, email address or business address) is not correct, **DO NOT create a new Profile**. Once you select the Profile, you will be able to edit the Profile to modify any incorrect information. If you are unsure, contact a JCOPE Filing Specialist for assistance.

The screenshot shows the 'Organization Profile Search' interface. The search field is labeled 'Organization Name' and contains the text 'Goog'. Below the search field, a dropdown list displays two results. The first result is for 'GOOGINS, DAVID' with the address 'ONE HARRIS AVE, ALBANY, NY 12208, US' and contact information 'p. +1 518-453-6262' and 'e. david_googins@yahoo.com'. The second result is for 'Google' with the address 'Street1, Troy, NY 29233, US' and contact information 'p. +1 123-312-3232' and 'e. were@test.oh'. A red arrow points to the 'GOOGINS, DAVID' result.

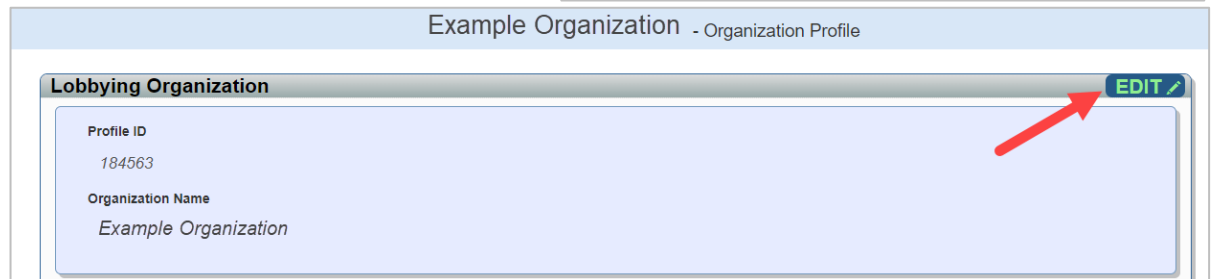

3. To select an Organization from the list, click *inside the box (next to the Organization name)*; then click the green 'Select' button.

a. If you are **not** an Individual who has any authority for this selected Organization, and should not be listed as a Delegated Administrator, select the red 'skip' button; and follow instructions for **Option 'C'** to create an Organization Placeholder solely for the purposes of submitting a Filing.

b. To claim an Organization Profile, click the green 'yes' button. **NOTE:** You will automatically be added as a Delegated Administrator on the Organization Profile.

c. You can edit any of the Organization information contained in the Profile by clicking the 'Edit' button.

Refer to Step 4 on the following page for detailed instructions on how to edit and assign roles within the Organization Profile.

d. If the selected Organization Profile has already been claimed, an error message will display. You must contact JCOPE staff at (518) 474-3973 or helpdesk@jcope.ny.gov for assistance. **DO NOT create a new Profile** unless a Filings Specialist has advised you to do so. Otherwise, you may be unable to properly submit your filings.

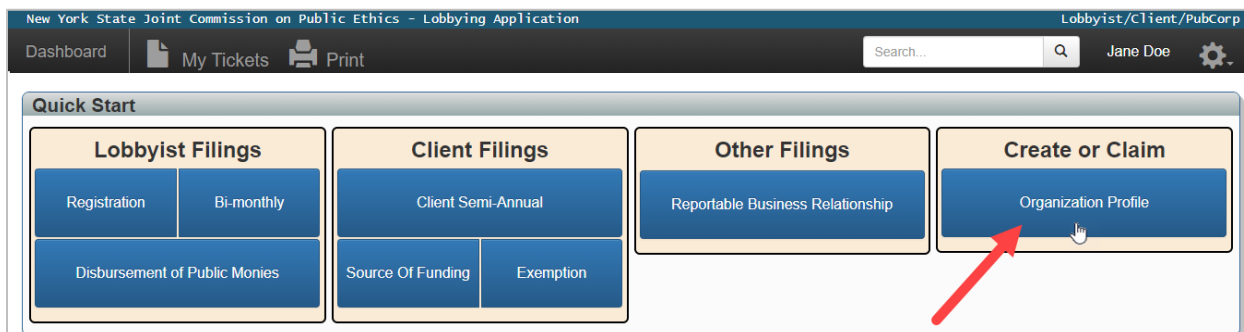

e. Select the red 'Close' button; and follow instructions for **Option 'B'** to create a new Organization Profile

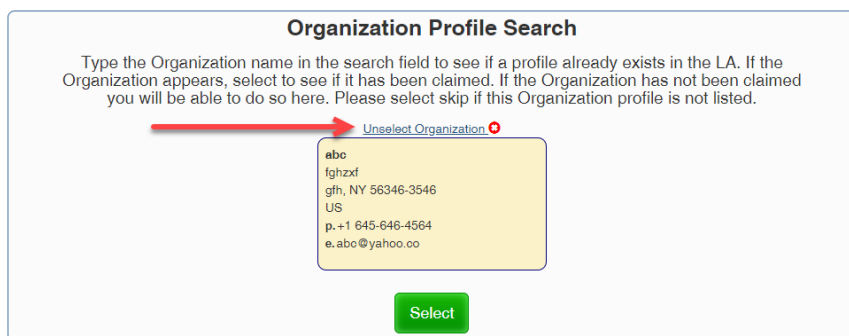

4. If your Organization name is not included in the list of possible matches, *refer to the 'Option B' instructions beginning on page 5* to create a new Profile.

OPTION 'B' – Create my Organization Profile

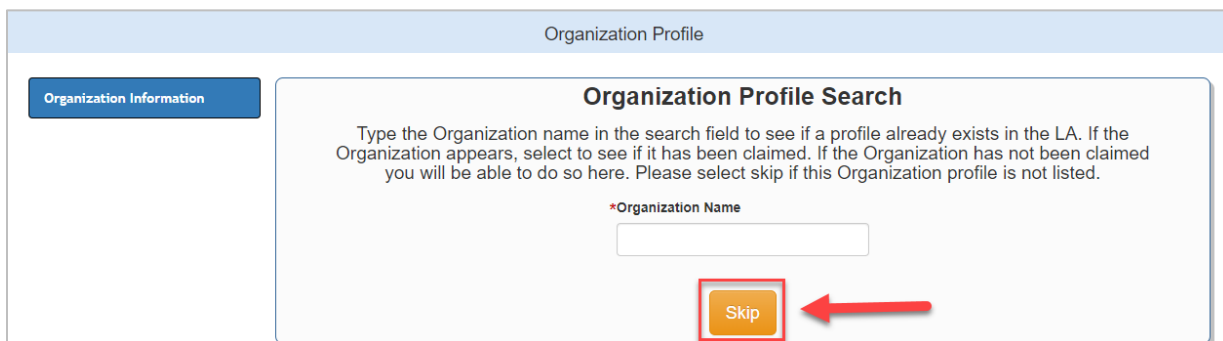

1. Click the 'Create or Claim Organization Profile' button from the Quick Start Menu on your Dashboard.

2. Type the first few characters of the Organization name in the 'Organization Name' field. If the Organization name is an exact match or contains similarities to an existing Organization Profile in LA, a list of pre-populated results will display. Please review ALL possible matches carefully to minimize the risk of a duplicate Profile being created in the LA. If you select an Organization in error and would like to remove it, click 'Unselect Organization'.

3. Click the "Esc" key on your keyboard to clear the list of possible Organization Profiles; then, click 'Skip' to create the new Organization Profile.

4. Click the green 'Select' button in the **Create a new Organization Profile** box.
