BI-MONTHLY COURTESY REMINDER

The following reports are due by May 16, 2022:

- 2022 March/April Lobbyist Bi-monthly Reports
- 2022 March/April Public Corporation Bi-monthly Reports
- 2022 March/April Disbursement of Public Monies Reports

2022 FILING REQUIREMENTS: LOBBYIST AND PUBLIC CORPORATION BI-MONTHLY REPORTS

Lobbyist and Public Corporation Bi-monthly Reports are required to be filed on a bi-monthly basis, first due on the 15th day of the month following the end of the reporting period in which the Lobbyist was first required to file a Statement of Registration during the biennial period. (i.e., Bi-monthly Reports are required for each reporting period their Agreement/Contract is active [based on the Lobbying Agreement Start and Termination (End) Dates].)

Please note:

- There is NO minimum threshold requirement for filing any Bi-monthly Report. Consequently, all Bi-monthly Reports are required to be filed for a registration period, unless the Registration has been terminated. If, in fact, the agreement or authorization has terminated, you must comply with the Bi-monthly reporting requirements up to the date of termination.

- If you submitted a Registration Amendment to extend an expired (terminated) Lobbying Agreement within a biennial period, and LA is requiring you to file a Bi-monthly Report for that ‘terminated’ period, contact Commission staff.

- The function for submitting a Termination in the LA is not yet operational and contract duration dates may not be recognized in LA. Contact the JCOPE helpdesk for assistance.

Lobbying Activities are required to be disclosed when activity included in Section 1-c(c) of the Lobbying Act is met. Proper disclosure of these Lobbying Activities necessitates a level of specificity that makes clear to the public exactly what and who is being lobbied.

Lobbying Activities include:

1. the Focus Type (State and/or Municipal Bill, Rule, Regulation, Procurement Contract, Executive Order, etc.);
2. the **Focus Identifying Number** (including the specific Bill, Resolution, Executive Order, etc.), if known; or **Description of the Focus**;

3. the **Type of Lobbying Communication** (Monitoring Only, Direct Lobbying, Grassroots Lobbying, or Both [Direct and Grassroots]); and,

4. the names of the **Party(ies) Lobbied** on the specific Focus (which includes the Government Body, Party Name, and additional information). The Lobbying Application ("LA") will automatically identify the Government Body associated to a Party Name. Filers may be required to include additional information related to a selected Party Name.

* Please contact JCOPE if a Legislator’s name, Senate or Assembly Committee, State Agency, NYC Council Member, or NYC Board/Division/Commission is missing from the Parties Lobbied database.

JCOPE has created guidelines to assist you in ensuring your information is correctly disclosed with the required specificity as set forth in the regulations relating to disclosure of lobbying activities. Please see [‘How to Properly Disclose Lobbying Activities Information’](#) (updated 10/21/21). You may be required to submit an amended Report if your Lobbying Activities have not been properly disclosed and sufficiently identified.

### 2022 FILING REQUIREMENTS: LOBBYIST DISBURSEMENT OF PUBLIC MONIES REPORTS

Per Section 1-l of the Lobbying Act, a **NYS Lobbyist Disbursement of Public Monies Report** (‘DPM’) must be completed by a Lobbyist when:

- The Lobbyist is otherwise required to file a Statement of Registration with the Commission; and reasonably anticipates that during the year they will expend, incur, or receive combined reportable compensation and expenses in an amount in excess of $5,000 in connection with:
  - any attempts to influence a determination by a public official, or by a person or entity working in cooperation with a public official with respect to the solicitation, award or administration of a grant, loan, or agreement involving the disbursement of public monies in excess of $15,000, other than a governmental procurement as defined in Section 1-c.

- The $5,000 threshold relates only to compensation and expenses attributable to the activities described above and is in addition to and separate from the similar threshold for Lobbyist Registration set forth in Section 1-e of the Lobbying Act.

- The reports are to be filed only by registered Lobbyists, including Public Corporations.

- These separate reports are required to be filed in accordance with the same schedule applicable to the filing of Bi-monthly Reports.

- Unlike Lobbyist and Public Corporation Bi-monthly Reports required by Sections 1-h and 1-i, the **NYS Lobbyist Disbursement of Public Monies Reports** are required to be filed only for bi-monthly reporting periods during which the Lobbyist has made any attempts to
influence a public official with respect to disbursement of public monies, or receives compensation or reimbursement of expenses for such activities.

ENTERING ITEMIZED EXPENSES ON BI-MONTHLY AND DPM REPORTS

Any Reportable Expense valued at more than $75 must be fully identified on Bi-monthly Reports and must include the name of the person or entity to whom it was paid, the date of the Expense, as well as the purpose for which it was paid. Itemized Expenses must specify in the “Paid To” field either:

- the name of the Organization (“who”) the expense was actually paid to; or
- “in-house expenses”
  ➢ Generic descriptions such as “Organizations” or “Professionals” are not acceptable.

Please use one of the Expense Purposes available in the pre-populated drop-down list.

GENERAL FILING INFORMATION

We encourage 2022 filings to be submitted through the Lobbying Application (“LA”).

The LA allows for submission of Bi-monthly Reports even if your Registration or Registration Amendment is pending approval.

Timely reports are those that are received in the Commission’s office on or before the due date. The Commission does not consider the postmarked date or declaration signature date as the date of receipt. Paper reports (PDFs) must be submitted with original signatures; photocopies and faxes will not be accepted.
